Acknowledgements The authors wish to thank Paths for All, the European Tour Golf, and 4sports for their input and collaboration at the Paul Lawrie Matchplay tournament. Tournament host Paul Lawrie, as a player provided leadership in

highlighting potential opportunities for players to promote physical activity amongst spectators. We thank Jack Luscombe for his assistance with data collection.

Competing interests This research was part funded by an unrestricted grant for the World Golf Foundation, who committed to publishing results whatever the findings. AM and RAH work as clinicians for the European Tour Golf.

Patient consent Obtained.

Ethics approval Ethical approval was granted by the Moray House School of Education Ethics Committee, University of Edinburgh.

Provenance and peer review Not commissioned; externally peer reviewed.
